Product Disclosure Statement

This PDS explains:

- How to buy the **policy** - page 4
- What the **policy** covers - page 9
- How to make a claim under the **policy** - page 51

You should read the PDS before buying the **policy** because you are responsible for ensuring that the insurance cover you select, is suitable for your needs. Any updates to this PDS, will be available at www.ski-insurance.com.au. We will email you if any important changes happen while your **policy** is in force.

Buying The Policy

Before buying the **policy**, you need to think about:

- Type and level of cover?
- Am I eligible for cover?
- Do I need optional extra cover?
- What level of **excess** do I prefer?
- What does the **policy** cost?
- Can I cancel the **policy**?
- What if I have complaint?

Level Of Cover

International	Sections 1-22.
---------------	----------------

Am I Eligible For Cover?

Australian residents who are aged 64 and under and eligible for a Medicare card can purchase these plans provided that:

- your **journey** commences and ends in Australia; and
- you are a **professional skier**; and
- you purchase the **policy** before leaving the station, airport, port, terminal or motor vehicle rental agency from which your trip is scheduled to commence.

Who Will Be Covered?

This cover type provided under this product is individual cover, which covers you only.

Amendment Of Cover

In certain circumstances, we will allow you to amend your **policy** after purchase.

Where we agree to update or add to the cover under your **policy**, the change in cover will only apply to circumstances that arise after we have issued you with an updated **certificate of insurance** reflecting the change.

Where we agree to your request to remove any cover under your **policy**, you will not be able to make any claim or exercise any other right under the cover that has been removed for any circumstance that **arises** at the time or after your **policy** is updated.

Do I Need Optional Extra Cover?

High Value Items

Luggage & Personal Effects are covered under all plans (see [section 11 - Luggage & Personal Effects](#)), but individual limits apply to each item.

You can purchase up to \$5,000 of additional cover for **high value items** that are less than 12 months old. You can do this by listing each item and its value when you apply for cover. Please note that **high value item** cover is not available for jewellery, **bicycles**, watches and watercraft (apart from surfboards).

What Excess Do I Prefer?

If you make a claim under any sections of the **policy**, except for sections 2A, 5, 6, 7, 8, 10, 12, 14, 17, 20, 21 and 22 we will deduct an **excess** from the amount payable to you. The higher the **excess** you choose, the lower your premium will be. Your **excess** will be shown on your **certificate of insurance**.

You cannot remove the **excess**.

What Does The Policy Cost?

We'll tell you the premium payable for your **policy** when you apply for cover. It will be based on a number of factors including your travel destination(s), the duration of your **journey**, the level of cover and the **excess** you choose, the number of people covered, your age and any optional extra cover you select. It will also include some government charges and taxes (e.g. GST).

Can I Cancel The Policy?

If you decide that you do not want this **policy**, you will be given a full refund of the premium you paid provided that:

- You cancel within 14 days after you are issued your **certificate of insurance** and PDS;

- You cancel prior to the start of the first of the travel dates shown on your **certificate of insurance**; and
- You do not want to make a claim or to exercise any other right under the **policy**.

You can still cancel your **policy** after 14 days but we will not refund any part of your premium if you do. If you choose to end your **journey** early for any reason, we will not reimburse any premium of any unused portion of your **policy**.

Complaints

If you have any concerns about the **policy** or the insurance services you receive, please refer to the [Complaints Procedures](#) on page 60.

What You're Covered For

This part of the PDS explains:

- The period for which you're covered and the circumstances in which you can extend your **policy**;
- What the **policy** covers; and
- The Exclusions and conditions that limit what you're covered for under the **policy**.

Period Of Cover

The earliest that cover under the **policy** starts is when we issue you a **certificate of insurance**. This confirms the period for which you are insured.

Importantly:

- Cover for [section 13 - Cancellation Fees & Lost Deposits](#) starts on the date the **certificate of insurance** is issued.
- Cover under all other sections starts on the first of the travelling dates shown on your **certificate of insurance**.
- All cover ends on the earlier of the date you return **home** or the last of the travelling dates shown on your **certificate of insurance**.

- You must purchase your **policy** before you leave your **departure point**.

Extending Your Journey

- You must apply to us if you wish to extend your **journey**.
- Your **policy** is not extended until we have agreed to do so.
- Premium payable for extending your **journey** is calculated at the current rates for the relevant plan at the time of extension.
- Please make sure you extend your **policy** before it expires (11.59 PM AEST).

We will agree to extend your **journey** if:

- We have accepted a claim under the **policy** and you have been **hospitalised**.
- You have been **hospitalised** cover will be extended only for the purpose and duration of repatriation to your **home**.
- A privately or commercially operated mode of transport is interrupted, delayed, cancelled or rescheduled by a claimable event, your **journey** is automatically extended until you return **home**.

We will **not** extend **your journey** if:

- You have lodged a claim under the **policy**;

- You are aware of any events or circumstances that could give rise to a claim under the original **policy** but have not notified us;

If you are not paid the full amount of your claim under another policy, we will make up the difference provided your claim is covered by the **policy**. We may seek contribution from the other insurer. If we do, you must give us any information or assistance we reasonably need to do so.

Subrogation

If you are aware of any third party that is or may be liable for your loss or damage, you must tell us about them.

We are entitled to and may (at our discretion) seek to recover compensation from any party in respect of anything covered by this **policy**, including bringing legal proceedings. We are entitled to control and settle any such recovery action.

You must provide any assistance and permit all acts and things that we reasonably require to enable us to pursue any such recovery actions even if we have not yet paid your claim or the amount we pay does not fully compensate you for your loss or damage.

Recovery

Any money we recover from a third party under our right of subrogation will be applied in the following order:

1. to us for administration and legal costs **arising** from the recovery and for an amount equal to the amount we pay you under the **policy**;
2. to you for your uninsured loss (less your **excess**)

Business Travellers – GST

If you are entitled to claim an input tax credit in respect of your premium, you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may incur liability for GST when we pay your claim.

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

- If a suit is instituted against any one of the participating underwriters, all underwriters participating in this insurance will abide by the final decision of such Court or any competent Appellate Court.

Several Liability

When Certain Underwriters at Lloyd's underwrite this **policy**, it means that the obligations of each subscribing **insurer** under the contract of insurance is several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing **insurers** are not responsible for the subscription of any co-subscribing **insurer** who for any reason does not satisfy all or part of its obligations.

This is not an automatically renewable insurance **policy**.

Making A Claim

This part of the PDS explains what you need to do if you need to make a claim or want to make a complaint.

First Things First

If an event occurs which you think might be covered by the **policy**, you need to take some action right away:

1. For claims under *section 1 - Overseas Emergency Medical Assistance*, *section 2 - Overseas Emergency Medical & Hospital Expenses* and *section 19 - Emergency Rescue*, notify First Assistance as quickly as possible. First Assistance's contact details are on the back cover. In some cases, we may refuse to pay your claim if you don't notify them.
2. You must not admit to anyone that you are at fault for any event. You must not offer or promise to pay any money to anyone or become involved in litigation, without our approval.
3. Report loss or theft of your **luggage & personal effects** to the police immediately and obtain written evidence of your report.
4. Report damage or misplacement of your **luggage & personal effects** caused by an airline or other operator or accommodation provider to an appropriate official and obtain a written report, including details of any settlement offer they make.
5. Do everything you can to reduce your loss as much as possible.
6. Keep evidence of the value of any property insured or the amount of any loss you sustain- you'll need to provide this to us when you submit your claim.

How To Make A Claim

Step 1- Submit Your claim

If you need to make a claim on the **policy**, it is important that you let us know as soon as possible and within 30 days of your return **home**.

Here's how:

- call us on 1300 383 550
- email us at info@travelclaimscentre.com.au

When submitting your claim, make sure you provide us with full information.

If you delay submitting your claim, or provide us with insufficient information and we are disadvantaged as a result, we may need to reduce the amount we pay in settlement of your claim.

Step 2 - Provide Supporting Documents

You must give us any information we reasonably ask for to support your claim at your expense, such as but not limited to police reports, valuations, detailed repair quote from an authorised repairer, medical reports, original receipts or proof of purchase and ownership. You will need to show evidence for all expenses that you are claiming. If required, we may ask you to provide us with translations into English of any such documents to enable us to consider your claim.

Step 3 - Claim Assessment

We will assess your claim within 10 business days of receiving it, provided we have all necessary information and documentation. If we need additional information we'll let you know within 10 business days and provide an initial estimate of the timetable and process for making a decision.

Once our assessment is complete, we'll decide whether to accept or deny your claim. If it is denied we'll let you know in writing and give you our reasons.

Step 4 - Claim Acceptance

If your claim is accepted, we'll pay the amount due to you in Australian dollars. We'll pay this to you unless you ask us to pay someone else.

Payment will be made by direct credit to an Australian bank account nominated by you.

Importantly:

- where applicable, we will apply the rate of currency exchange that was current at the time you incurred an expense.
- depreciation will be applied to claims for **luggage & personal effects** at the rate we determine appropriate.
- if you make a claim against someone else in relation to a loss covered by the **policy** and you do not get paid the full amount of your claim, we'll make up the difference, provided:
 - a) the claim is covered by the **policy**; and
 - b) you claim against the other person first.

Got A Complaint?

If you have any concerns about the **policy** or our services, refer to our [Complaints Procedures](#) on page 60.
